OC-M83-440  
26 May 1983

MEMORANDUM FOR: Deputy Director for Administration

FROM: William F. Donnelly  
Director of Communications

SUBJECT: Weekly Report

25X1

3. A Contingency Configuration Plan which establishes minimum standards of contingency readiness for CIA communications facilities has been promulgated to the field. This is part of the continuing effort to make the network as resilient as possible.

4. At Treasury's request, members of the Domestic Networks Division met with the Acting Director of Telecommunications, Department of Treasury to assist him in developing standard operating procedures for the Department of Treasury communications center.

SECRET

SUBJECT: Weekly Report

25X1 5. At the request of the IC Staff we prepared an estimate  
25X1 of the cost of operating the 1993 CIA communications network  
under nuclear war conditions. The estimate included the costs of  
hardening, modernizing, and constructing facilities as well as  
providing life-sustaining consumables and facilities for operat-  
ing personnel for a 90 day period. The total cost came to [redacted]  
[redacted] exclusive of personnel salaries and certain other  
unquantifiable factors.

25X1 6. On 25 May the Director of Communications, the Director  
of Information Services and the Deputy Director of Logistics  
collectively cut the ribbon in a ceremony [redacted]  
which officially inaugurated the combined registry serving OC and  
OL.

25X1 7. The D/CO presented certificates to the fifteen members  
of graduating Telecommunications Assistant Class 1-83. Four  
class members received out-of-cycle promotions based on  
academic achievement.
